Notes for WILLIAM C. TEETS:

I have info from ? that shows William son of Ami & Amanda G. Severe? Birth date is also different.

Excerpt from email from Jeff DeVall; azwildcat@unneedspeed.net; 6/13/2002

According to marriage records at Kingwood, he was born and lived in Preston County. William was born Mar. 10, 1874 in Grant district. Janice Sisler provided the research on Eliza and William C. Teets. She believes William's parents were Levi Teets and Eleanora Dull. The 1920 will of Levi Teets supports this. He left part interest in a home near Salem Church to Edna Teets Dillinger. Also his deceased son William C. Teets is mentioned.

Notes for ELIZA ELLEN DUVALL:

Excerpt from email from Jeff DeVall; azwildcat@unneedspeed.net; 6/13/2002

This is Harriet's daughter according to Grant district birth certificate records in Preston County. The mother is listed as Harriet Devall. The father is listed as unknown. It is possible that Eliza's father was Andrew Jackson Spindler, but Harriet was her mother. Although the bicentennial issue on Preston County showed Eliza as being born in 1863, this may have been done to prevent her being shown as an illegitimate child. Harriet's first husband Aaron Devall died in 1864 at Clarksburg Post hospital eliminating him from being the father of Eliza. Actual birth records show Eliza being born Nov. 10, 1870 in Grant district, Preston County, WV. Stories from other family members talked about Eliza and Helen being left behind when Harriet and Andrew went to Nebraska in 1879. Harriet left Eliza E. with Harrison Glover and Harrison's wife Cynthia Duvall. Cynthia was Aaron Devall's sister. The 1880 census shows Eliza E. age 9 living with the Glovers. Mabel Devall has a picture of Eliza in front of a store. She wrote to my brother William. Eliza is William Devall's half sister, or full sister. When Eliza was 21, she married March 31, 1895 to William C. Teets, 21, at the residence of Harrison Glover by Jeremiah Thomas. Eliza was William's 2nd wife.

From Dorothy Inks Thomas, "My grandmother Eliza died in 1940. She was a very beautiful woman, and quite religious. She always used to say God Bless. She liked to garden and was interested in herbs. She also had a general store in Uniontown. She also spoke German. Her first daughter Edna Laura Teets married at a young age and had several children. She died at a young age. Eliza married a 2nd time to John Parker and they lived in Upper Middletown, near Keister, which is in Redstone Township, Fayette County, PA where my mother Matilda Parker and her brother Robert were born. Then they moved to 67 Wayne Ave., Uniontown, PA. They also has a house in the mountains in Elliotsville, PA where they are buried. Harriet wrote letters to Eliza asking her & Edna to come to Nebraska. Eliza lived good for the times but she was a hard worker and had a good education." Andrew Spindler put a newspaper ad thanking the people of O'Neill thanking them for their help with mom, Harriet's death. Eliza kept that article. Dorothy reports Eliza, Harriet & William wrote to each other about once a month.

She was born 1841 in near "The Furnace", Valley Point, VA, and died March 09, 1935 in Flint, MI.

Notes for SAMUEL MARSHALL TEETS:

At the time of his enlistment, he had two sons--Wilbert Allan, age 27 months, and Martin Luther, age 6 months.

The personal description of Samuel at the time of his enlistment read "born in Preston County, light complexion, grey eyes, and white hair." Since personal descriptions rarely used the word blonde, and the individual writing the description chose not to use the typical phrase of light hair, it would seem that it was even lighter than the average "light-haired soldier."

Samuel was captured at Winchester, Virginia on June 15, 1863, and sent to a confederate prison until he was paroled at City Point, Virginia, on October 28, 1863. He was transferred to the steamer ship NEW YORK and on October 29 was admitted to the military hospital at Annapolis. He died in the hospital on Ward 36, Section 2, with no effects available to send to his family. The cause of death was diarrhea and debility.

Says in Eugene's bible, listed as "Teats".

Eugene Teets was the oldest son of Samuel. He inherited or bought almost all of his father's farm, living first on the Maryland side, where all his children were born, then in later life moving to the West Virginia side. All of his children spent most of their lives in eastern Preston Co. or western Garrett Co.

Many of the family are buried in the Lake Ford Cemetery, although before the formation of the cemetery, some were buried in the field above the present cemetery. A tree and small stones once marked the plot, but the tree is gone, and the stones now rest against the back of a marker in the cemetery.
